

# **When the Last Palestinian Is Dead. . .**

- **When the last Palestinian is dead, the U. S. government will not have to turn its back any more.**
- **When the last Palestinian is dead, will the Israeli lobby be satisfied? Who will be next?**
- **When the last Palestinian is dead, will Israel really feel that much more secure?**
- **When the last Palestinian is dead, will the American people recognize our complicity and that being “pro-Israel” meant the ethnic cleansing of an entire people group?**
- **When the last Palestinian is dead, will we realize that Palestinians were real human beings who only wanted their own freedom, liberty, self-determination and dignity in their ancestral land?**
- **When the last Palestinian is dead, will America be a better place?**
- **When the last Palestinian is dead, will the world remember that the slogan “Never forget” was also meant for Palestinians?**
- **When the last Palestinian is dead, will we ever remember that we simply forgot?**
